

A Financial Foundation for Equitable Recovery

<u>National Community Reinvestment Coalition</u>	United States	Supporting 150 small businesses in underserved communities around the country, including those owned by women, people of color, and veterans, in pivoting to adapt to the new socioeconomic realities of the pandemic through direct grants and low-interest loans
<u>Neighborhood Trust Financial Partners</u>	United States	Delivering coaching to build financial health for thousands of people, including workers in the hardest-hit sectors like retail and food service and unbanked and undocumented workers
<u>New York Immigration Coalition</u>	New York City	Helping immigrant-owned small businesses respond to COVID-19 and access relief by creating resources in seven languages and holding educational workshops
